

CHILD DEVELOPMENT PROGRAM

Instructor Language: Turkish English Preparatory Year: Optional Score Type: TYT

Objective

Child Development Program is an associate degree program established to meet the need for education and counseling for children to live in a healthy environment. The aim of the program is to raise qualified professionals for all units providing services to children, families and society in this field with an education program that supports the development of children with normal development and special needs aged 0-18.

Goal

The goal of this program is to raise individuals who can interpret and evaluate data, identify problems and develop solution proposals by using basic knowledge and skills related to education and care service and also to train professionals who can effectively use the necessary methods and principles in the applications related to the field, who can take responsibility in working groups, who can communicate effectively, who are tolerant, patient and who have a level of foreign language knowledge that can follow the innovations in the field. In addition, it is aimed to educate individuals who have universal, cultural values, professional ethical awareness, who

follow the sectoral developments in science and technology with the awareness of lifelong learning in the individual and professional field and who have the knowledge and skills in safety, health and environmental protection.

Employment Opportunities

The workplaces our graduates can work are as follows;

1. in the pre-school education centers of private and public schools affiliated to the Ministry of National Education, in kindergartens,
2. in daycare homes/ kindergartens/ nurseries affiliated to the Ministry of Family, Labor and Social Services,
3. in Special Education and Rehabilitation Centers,
4. in the playrooms of children's clinics in hospitals.

Vertical Transfer Opportunities

Our graduates can transfer to undergraduate programs of Child Development, Preschool Teaching, Special Education Teaching, Social Work, Health Management with Vertical Transfer Exam if there is quota.
